The Ginkgo has survived over millions of years. Hailed as the healing tree in China, its therapeutic bark, leaves and seeds have brought wellness to generations. The long-lived Ginkgo is not only beautiful, but remarkably resistant to disease, tolerant of air pollution and virtually undisturbed by the effects of the environment.

"I WILL REFLECT" TREATMENTS

The Spa at Belmond Charleston Place is proud to endorse the "I Will Reflect" Melanoma Awareness and Prevention Initiative. Our goal is to increase awareness of skin protection, thus aiding in the prevention of skin cancer.

"I WILL REFLECT" FACIAL

This facial, suitable for all skin types, is designed to cleanse, exfoliate and retexture. It beautifully regenerates the skin's appearance, leaving it looking and feeling soft and smooth. The perfect way to protect yourself from the sun's harmful and damaging rays.

With coastal Charleston's beautiful and famously hot summers, melanoma skin cancer is becoming increasingly prevalent in the Lowcountry. While enjoying our beautiful city, we remind you to reflect on these skin protection affirmations:

"I WILL REFLECT"

- ... and wear sunscreen year round
- ... and use a minimum of 15 SPF Broad Spectrum sunscreen
- ... and seek the shade between 10am and 4pm
- ... and have an annual full-body skin check
- ... and share this important message with others

Ask The Spa staff about the "I Will Reflect" bracelet that glows blue every time skin is exposed to harmful sun rays, reminding one to follow the rules of sun safety and skin protection. Every cent from the sale of the IWR bracelet, as well as 10% of the cost of the IWR Facial goes to skin cancer research and education.
